**American Iron and Steel Certification for Project:**

---

I, Scott Peacock, certify that the bending and cutting processes of ½” Rebar for manufacturing the following products are in full compliance for the American Iron and Steel requirement as mandated by Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A – Agriculture, Rural Development, Food and Drug Administration, and related agencies appropriations act, 2017) and subsequent statutes mandating domestic preference. The ½” rebar is produced by CMC in Oklahoma.

Heat No. - 6010124

Products:

\_\_\_\_\_ Manhole Steps

The cutting and bending of ½” rebar for manufacturing the manhole steps occurred at the following location:

303 Dividend Dr.  
Peachtree City, GA 30269

If any of the above compliance statements change while providing material to this project, we will immediately notify the prime contractor and engineer.

Sincerely,

Scott Peacock  
Senior Vice President
